Yabin Da

Assistant Professor in Agricultural Economics
59 Zhongguancun St, Haidian District, Beijing, China, 100872
dayabin@ruc.edu.cn | yabin-da.com

Updated: November 3, 2026

Academic Appointments

Renmin University of China, China
School of Agricultural Economics and Rural Development
Assistant Professor — Sep 2022 – Present

Education

Texas A&M University, United States
Department of Agricultural Economics, Ph.D. — Aug 2017 – May 2022

Beijing Institute of Technology, China
School of Economics and Management, M.A. — Sep 2012 – Mar 2015

North China University of Science and Technology, China
School of Management, B.A. — Sep 2008 – Jun 2012

Research Interests

Environmental Economics, Climate Change, Applied Econometrics

Research Grants

The Dynamic Impacts of Extreme Weather on Farmers' Income: Adaptation Mechanisms and Policy Synergies
Principal Investigator, National Natural Science Foundation of China (NSFC)
Young Scientists Fund (Category C), Grant No. 72603351 (RMB 300,000) 2027-2029

Research on the Impact of Air Pollution on Major Food Crop Yields in China from the Perspective of Climate Change
Principal Investigator, funded by Renmin University of China (RMB 50,000) 2024-2026

Climate change and food security in China: Implication and economics
Principal Investigator, funded by the IPCC and the Cuomo Foundation ($34,000) 2019-2021

Teaching

Intermediate Macroeconomics
Instructor, Renmin University of China Spring 2023, 2024, 2025, 2026

Undergraduate Econometrics
Instructor, Renmin University of China Spring 2024, 2025, 2026

Advanced Agricultural Economics
Instructor, Renmin University of China Fall 2024, 2025

Selected Conference and Seminar Presentations

2026
AAEA Annual Meeting, Kansas City, MO, July 26-28
Three coauthored papers, all presented by students.

2025
Seminar presentation, Center for Energy and Environmental Policy Research (CEEP), Beijing Institute of Technology

2024
Paper Presentation, China Annual Conference on Agricultural and Forestry Economics and Management

2021
Paper Presentation, Sino-American Youth Dialogue

Paper Presentation (Lightning Session), AAEA&WAEA Joint Annual Meeting

Paper Presentation, The Annual Conference of AES, **Winner of the Best Ph.D. Presentation**

Paper Presentation, EGU General Assembly

2020
Poster Presentation at AAEA, Online

Journal Refereeing

Advances in Climate Change Research, American Journal of Agricultural Economics, Applied Energy, Business Strategy and the Environment, Climatic Change, Climate Policy, Corporate Social Responsibility & Environmental Management, Energy Economics, Energy Policy, Environmental and Resource Economics, Environmental Research Letters, Forestry Economics Review, Future Business Journal, Heliyon, International Journal of Finance and Economics, Journal of Cleaner Production, Nature Communications, PLOS ONE, Scientific Reports, Structural Change and Economic Dynamics, Technological Forecasting & Social Change.

Other Professional Experience

China Human Resources & Social Security Publishing Group Co., Ltd.
Editor May 2015 – Jul 2017
